RHA Central announces new Board Members

Southport - May 5, 2011: Further to the Minister of Health having recently announced appointments to the Regional Health Authorities across the Province, the RHA - Central Manitoba Inc. (RHA) Board of Directors is pleased to announce that Karen Dyck and Carol Beaulieu have joined the Board.

While Karen Dyck is appointed for a three-year term, Carol Beaulieu's appointment extends to 2012 as she completes Marie Buchan's term following her resignation earlier this year. At this time, the Board would like to acknowledge Mrs. Buchan's many valuable contributions since 2009.

In accordance with the Regional Health Authorities Act, Chair Denise Harder, Darlene Arnott, Armande Leclair and Alice McKinney have been reappointed for another three-year term.
